

We are a nationally certified (EMSDC) minority-owned firm headquartered in the Lehigh Valley of Eastern Pennsylvania with a specific focus on two complementary, best-in-class set of services – Professional Consulting and Talent Management.

Delane's Talent Management is the staffing services division of our company that provides technical and professional placement services in areas of Direct-Hire, Contract-to-Hire, and Contract/Contingent workers from entry-level positions to the Executive suite.

Delane offers operational support in different functional areas and works hand-in-hand with startups enabling them to focus on their strategic priorities and core competencies.

Startup Operational Support

Our team works with startups to assist them in gaining a competitive advantage and help accelerate product delivery.

Our services can be delivered as an integrated package or independently, giving clients flexible solutions that fit their needs and budget without adding a permanent/full-time employee.

Services Include:

- Staff Augmentation
- Interviewing and Onboarding
- Payroll & Employee Benefits
- General Administrative Assistance
- Marketing & Corporate Communications
- Process Design and Operation
- Sales Channel Development
- GTM Support

Key Benefits

- Cost & Time Savings
- Improve Talent Quality
- Increase Efficiency
- Avoid Employee Overload
- Fill Specialized Roles
- Short & Long-term Solutions
- Focus on Core Competencies
- Professional Advice, Guidance & More..

Our Direct-Hire capabilities include, but are not limited to:

- Data Analytics
- Engineering
- Finance & Accounting
- HR Support Functions
- Information Technology
- Business Analysts
- Program & Project Management
- Continuous Improvement Roles (Agile, LSS)
